

“Pines-side Pick-up” MENU

6217 North Radcliffe Street, Bristol, PA 19007
215-788-1659 • www.thepinestavern.biz

To Our Pines Peeps, whom we love and miss:

First, I hope that you and your families are safe and well. These are crazy times, for sure! But together we will all get through it!

Please bear with us as we create our new business model. There will be some fits and starts, I am sure, but we will do our best to keep you all fed and happy!

To increase our take-out service, we have had to make adjustments to the menu. Sandwiches are ala carte: no pickles or chips. We will only have large side orders of Fries, Onion Rings and House-made chips. Sandwiches will be wrapped in foil so sides will not be sold or packaged with the sandwich. This will help both our efficiency and save packaging.

WE are taking these precautions for all of us. Please be patient and kind to one another as we all adjust to the new normal, however temporary it may be.

Sincerely,

Larry and the Pines Family
